How it works

You can make the most of Synchrony Transact in three simple steps:

1 Estimate Payments & Apply for Credit

For many consumers, the first questions regarding financing are what promotional offers are available, and what their estimated monthly payments will be.

Use your authorized device* to access Synchrony Transact, and click the “Payment Estimator” button.

1. Select your program, enter the sale amount to finance and click “Calculate.”
2. Review available promotions and estimated monthly payments with your customer.
3. Note: Any restrictions your business may have placed on promotional options will appear here.

TIP: The results of the Payment Estimator calculations can be emailed to the customer.

Helping your customer apply for credit takes just a few minutes.

Select the “Apply for Credit” button from the home screen.

1. Select the relevant program.
2. Complete the following:
 - Select Individual or Joint.
 - Enter the Amount of Initial Sale/Transaction.
 - Enter your Employee ID.
3. Determine your application method.

Application Response Options

- **Approved:** Cardholder can use financing immediately.
- **Pending:** Call 888-222-2176 for assistance.
